EXPERIENCE

Ava Marie — Tangier — May 2022 – Present
SENIOR FASHION DESIGNER & PRODUCT DEVELOPER
Lead fashion design and product development from concept to production, bridging creative direction with pattern engineering, fit and manufacturing requirements.

Lariconf — Jun 2021 – May 2022
CAD FASHION DEVELOPER
Developed CAD patterns, supported fit accuracy and contributed to the industrialization process for multiple collections.

Loratex — Sep 2018 – May 2021
CAD DEVELOPMENT SUPERVISOR
Supervised CAD development workflows, maintained pattern quality and supported efficient product execution across collections.

Loratex — Sep 2017 – Sep 2018
PRODUCTION PLANNING COORDINATOR
Coordinated production planning, monitored timelines and supported cross-functional execution from development to manufacturing.

Roadtex — Feb 2016 – Aug 2017
QUALITY CONTROL & PRODUCTION SPECIALIST
Managed quality control processes and supported production follow-up to meet garment quality and delivery standards.

Loratex — Feb 2014 – Jan 2016
OPERATIONS & WAREHOUSE COORDINATOR
Coordinated operations and warehouse activities, supporting inventory flow and production logistics.
